1. In order for donations to be considered tax-deductible charitable contributions, donors may not specify which students are to receive assistance from their donation and may not choose which student(s) to sponsor.

2. A Bishops’ School Batwa student will be randomly assigned to each sponsor or sponsoring group. Sponsors may request a specific age or gender, but a match is not guaranteed.

3. The sponsorship amount is $750 USD annually; 10% of each donation is used for administrative costs, and 90% directly funds the sponsorship program.

4. Payments will be made to the Kellermann Foundation. Payments are considered tax-deductible in the USA to the extent permitted by law.

5. All donations will be pooled with other sponsorship funds to supply aid to all Batwa students at Bishops’ School. This allows students who do not yet have sponsors to receive assistance as well.

6. The Sponsorship Agreement will automatically renew annually and continue until the sponsored student completes his or her primary education at Bishops’ School. Sponsorship may be cancelled prior to that time by contacting the Kellermann Foundation in writing.

7. The sponsor and student are encouraged to build a relationship via email and postal mail contact. The Kellermann Foundation will facilitate the exchange of letters, photographs, and reports.

8. Sponsors may not send gifts, additional funds, or supplies directly to their sponsored students, as this creates an inequity among the students. If you would like to add an extra gift or monetary donation, please contact the Kellermann Foundation to discuss options about what will be the most beneficial to the students as a whole.

9. Sponsors agree not to arrange for the sponsored student to come to the USA for a visit. However, sponsors are encouraged to visit the student in Uganda and should contact the Foundation to further discuss this option.

10. Sponsors agree to pay their fees promptly. If cancellation becomes necessary due to a change in financial or family circumstances, the sponsor agrees to contact the Kellermann Foundation immediately so a new sponsor can be found for the student.

I/We agree to the terms stipulated above.
